

GUALA CLOSURES GROUP: COVID-19 INSURANCE FOR ALL ITS WORKERS IN THE WORLD

The Group signs a Covid-19 insurance policy with AON, for all its employees globally

Alessandria, 10 April 2020 – Guala Closures Group, world leader in the production of security closures for spirits and aluminium closures for wines and one of the major global producers and distributors of aluminium closures for the beverage industry, insures all its workers worldwide against Covid-19.

The insurance provides, depending on the country, a daily hospitalization allowance (starting from the 5th day up to 10 days of hospitalization) or an allowance paid in a single solution at the time of discharge from the hospital for a period of more than 5 days.

Franco Bove, General Manager of Guala Closures commented: “In our Group, we are adopting prevention systems that make our factories safer than any other area, having applied significant preventive measures such as the distribution of masks and disposable gloves, social distancing, monitoring of body temperature when entering the plant and disinfection of all facilities every 2 weeks. All our plants are rigorously applying these measures to prevent contagion and all workers are applying them responsibly. Covid-19 hospitalization coverage insurance is an additional sign of closeness to our colleagues, in the knowledge that we are part of a single large community”.

This insurance protection implements the corporate welfare policy that the Group has been pursuing for many years.
